Reading, Writing, Maths combined – high level of attainment	7%

Average scaled score reading	102.4
Average scaled score maths	105.1

KS2 2016

The data in the following table has been collated from the outcomes of pupil tests. These tests are designed to check that pupils are working at the expected standard.

Please note that results from 2016 and earlier years are not comparable due to the change in assessment procedures and criteria. Expectations for working at the expected standard are much higher than in previous years.
