

Sports funding

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.

Green Lanes Primary school is committed to the most effective use of this funding to improve and offer sustainable high quality PE teaching and learning provision for all its pupils.

Sports Funding impact measures 2015-2016 £9000

School contributes an additional £1500 in development of sports provision

Action	Allocation of sports premium	Impact measure
